DISPERSAL SALE

OF

REGISTERED SHORTHORN CATTLE

SAT., JAN. 28, 1967

12:30 P. M.

AT

Effingham Sale Barn

EFFINGHAM, KANSAS

13 Miles East of Atchison, Kansas

Auctioneer-WILSON HAWK,
Effingham, Kansas

Telephone messages to the sale manager or auctioneer
on sale day should be made to the Effingham Sale Barn.

SALE MANAGER'S MESSAGE

I have known the McLaughlin family since they started their registered Shorthorn operation. They regret this dispersal is necessary because of a change in farm operation. Orville has moved to Muscotah and is now working in Atchison. Since having a short feed crop, Tom and Orville have decided to disperse their Shorthorn herd. Their aim was to have the best Shorthorns that could be found. For several years they purchased the top females in auctions over the state. The females offered in this sale are the kind Shorthorn breeders are looking for to add improvement to their herds. Anyone looking for foundation females will certainly want to have a look at this cow herd. Seventeen of these cows and heifers were either bred at Tomson's or from Tomson's cows.

The herd bull, KC Constellation, a son of Bapton Constructor, was Reserve Junior Champion of the Missouri State Fair in 1962. His mother is a half sister to the dam of Louada Rothes King. His first son also sells.

Only in a dispersal do you have the opportunity to bid on your choice of an entire herd. You may see these cattle at the farm, 8 miles east and 3 miles north of Holton, or at the Effingham Sale Barn the day prior to the sale.

If you need replacement Shorthorns, look this offering over and be at Effingham, Kansas, on January 28th.

MILTON H. NAGELY, sale manager.

GENERAL INFORMATION

GUARANTEE—Since this is a complete dispersion, all of the cattle will be sold without guarantee, but we would like to point out that every animal that there was any doubt about has been culled.

TERMS—The terms of the sale are cash.

HEALTH—All cattle will be T. B. and Bangs tested, and official calf-hood vaccination for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go.

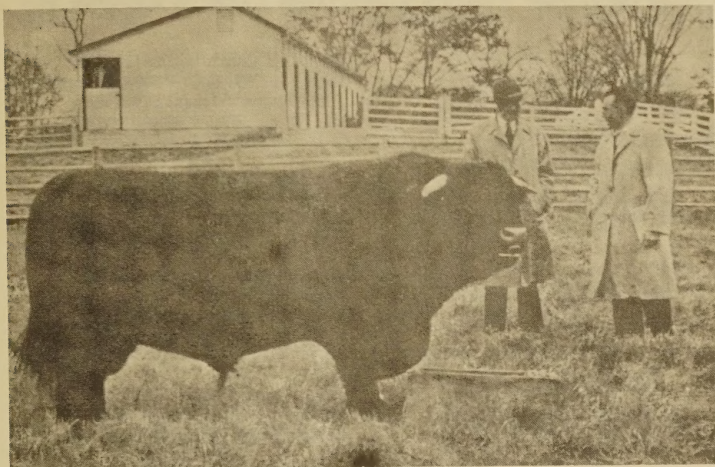

LIABILITY—Although every precaution will be taken to provide for the safety and comfort of those attending this sale, all who attend do so at their own risk. Neither the owner, auctioneer nor the sale manager accepts any liability for accidents that may occur.

K C CONSTELLATION was selected to head our herd after an extensive show circuit where he was a class winner on several occasions, including the Missouri State Fair where he secured the Reserve Junior Champion award. This bull has exceptional breed character, bone and soundness. His sire, Bapton Constructor, was without any doubt the greatest breeding bull in modern history, siring both International and Perth (Scotland) Champions. Saltoun Queen Margaret 14th has been an outstanding producer in the K C herd and is a half sister to the dam of Louada Rothes King, one of North America's top breeding bulls.
